

**Indian Wells Homeowners Association Voice
Mail Procedures
407-931-7222**

The homeowners association Voice Mail is a recording service the association has purchased from Sprint. When you phone 407-931-7222, a Sprint recorder takes your message; your call does not ring into someone's home. The homeowners association uses volunteer help for all of its work.

Your messages are heard Monday-Friday mornings at about 8:00 a.m.

- If you leave a message after 8:00 a.m. Monday-Thursday, your message will be heard the **next business day**.
- If you leave a message after 8:00 a.m. on Friday, anytime on Saturday, Sunday or holidays, it will not be heard until 8:00 a.m. the **next business day**.
- Messages left after 8:00 a.m. the day before a holiday are not heard until the **next business day**.

Please listen to the recorded message played after you dial this number.
